### Cover Photo

Photographic evidence of the teamwork responsible for the Indians' successful season is found in this remarkable action shot taken from the top of the press box by Les Querry '57. Joe Trimber, fancy-stepping sophomore wing-back, sealed the doom of Susquehanna (39-0) by taking a reverse 43 yards for the first touchdown on Juniata's second play from scrimmage. Every Juniata player is seen in action. Myron Seveck, guard, is leading the interference in lower right, followed by Bill Yerzyk, quarterback (79). Don Pheasant (43) is faking in upper left. Going downfield are Keith Birmingham (61) and Chuck Knox (80) while the blocks on the line are thrown by John Winterstein (against No. 20); Ed Svitil (62), Joe Veto (68), Ron Clapper (66), and Barry Drexler (white uniform under pile in center).

# The Talk of The Campus

## From This Angle

CAMPUS spirit — that somewhat vague descriptive term for student enthusiasm or what have you—is as close to being at its fever pitch this fall as any alumnus could imagine. It's terrific!

From this one angle, there are very good reasons for the healthy "hepped up" attitude on College Hill.

- 1—The winning football season, and the admiration of the average student for a team that not only possesses football ability but an interest in college academic and social life.
- 2—The Totem Inn — the College's new student center which is a modern and attractive hub of campus life. The well-equipped center, with sparkling new furnishings, is a surprise contrast to the old basement area of the women's gymnasium.
- 3—National prominence for the College as an academic institution of high rank in educational circles—and the realization by the students that Juniata is not just another small college, but a very good small college.

Couple these reasons with an active, alert undergraduate body that statistically is "above average," and a keen, younger-than-average faculty with an interest and understanding of students . . . and we have our unofficial explanation.

\* \* \*

SPEAKING of being "hepped up," the first Community Concert in Oller Hall in October featured Milton Cross and the Piano Playhouse. A duo-piano team of Ferrante and Teicher . . . a concert pianist, Grace

Castagnetta . . . and a towering devotee of jazz, Ken Clarke . . . presented a highly entertaining program from Bach to Bee-Bop.

Judging from the endless applause and the cheers from an overflow crowd, the program was "on the solid side." In fact, from this angle, the concert was the most enjoyable heard in Oller Hall in ages.

\* \* \*

MORE ACADEMIC, if we may use the term, was an illustrated lecture by Dr. Homer A. Thompson of the American School of Classical Studies in Athens. This had an unusual interest and Dr. Thompson fascinated the morning assembly audience with facts about the public and domestic life of the ancient Greeks. His facts were obtained from excavations conducted in the Athenian Agora.

Dr. Thompson's program was the first in a series offered this year by the public events committee. Other programs scheduled: Dec. 7, J. Donald Adams, New York Times; Jan. 11, Elmer Tidmarsh, organist; Feb. 8, Ryder and Frankel, modern dance team; March 5, the Muirs, artists; April 12, Norman Thomas. All programs are open to the public in Oller Hall at 9:45 a.m.

\* \* \*

WHEN President John C. Baker '17, head of Ohio University, visited the campus for the autumn meeting of the board of trustees, he took time out to speak about his experiences in Geneva last Summer as U.S. representative at an important United Nations meeting.

During his chapel talk, Dr. Baker made an observation for the seniors

that their comprehensive examinations would seem "rather easy" compared to the examination one had to pass, or endure, in front of the Senate Foreign Relations committee.

\* \* \*

ON THE SUBJECT of foreign relations . . . we have a student from Jordan in the freshman class this year.

When a Juniatian reporter asked Paul Amash what he thought about Juniata in particular, he replied that the transition has been "pretty easy" because of "the spirit of cooperation and friendliness at Juniata."

\* \* \*

A LOVELY water-color original entitled "Colorado Creek" was recently presented to the Juniata College library by John Paul Miller. Mr. Miller, a teacher of art in Cleveland, painted the picture in memory of his mother, Mary Hershberger Miller, (Acad '05), who was librarian at Juniata College from 1909 to 1911.

Mr. Miller is a graduate of the Cleveland Institute of Art. While there, he won several prizes for his art work. He is the son of A. Brown Miller '10.

\* \* \*

THE COLLEGE opened its 78th year on Sept. 17 with a total registration of 586 including 202 new students. The opening-day total was "only slightly under" last year's first day figure of 596.

Curiously enough, later registrations boosted the enrollment to the 596 figure. Included in the group are 487 resident, 87 non-resident and 22 unclassified students. Men outnumber women 348 to 248.

## Dorm Plans Ready

PLANS for the College's new 132-man residence hall will be submitted to contractors for bids "in the very near future," President Ellis has disclosed.

The building committee of the board of trustees has okayed the plans, but the college has been forced to hold up until some details are "clarified." The original hope was to open the bids in late October and let the contract after the meeting of the board of trustees on October 30.

The plot for the red brick structure has been surveyed on the hillside site overlooking the northeast campus.

According to present plans, the dormitory will be constructed in two separate units with a connecting lobby unit. The East building will be a three-story structure with 38 rooms and two apartments housing 80 men and one proctor. A similar building on the West will house 52 men and one proctor in 26 rooms and one suite.

Each of the two main sections will be 107'x 41' with a connecting building designed to fit into the central portion. Included in the central building will be a main floor lobby with lounge facilities.

## Dean's List

EIGHTEEN students have been named to the Dean's List of Distinguished Students for top academic averages during the Spring term.

The list by class follows;

Seniors: Ronald L. Cherry, Lewistown; Thomas M. Hoover, Huntingdon; Judith A. Shanabrook, Hanover; Russell S. Sharbaugh, Stroudsburg; Jack L. Ulsh, Lakemont, Altoona; Jack W. Walter, Claysburg.

Juniors: Naomi J. Kulp, Huntingdon; Wilfred G. Norris, Ambler; Jeanie W. Tait, Roslyn; Audrey C. Weber, Erie.

Sophomores: Kaydonna S. Bubeck, Schuylkill Haven; Lila Lee Englehart, Lewistown; Margaret Ann Hershey, Lititz; John H. Martin, Jr., Huntingdon.

Freshmen; Mark E. Beech, Somerset; Norma Jean Cale, Philadelphia; Alfred P. Nyce, Lansdale; William Z. Smith, Waynesboro.

NANCY McCAHAN '54  
Queen of Homecoming

## Cheering Queen

NANCY K. McCAHAN, a senior coed from Chester, Pa., ruled as queen of Homecoming Day at the College.

But before she received her crown between the halves of the traditional Juniata-Susquehanna football game, Queen Nancy had to give some serious attention to generating "pep and steam" for the Juniata team.

Reason: Nancy is Juniata's head cheerleader!

## Personal Appearance

Miss Esther M. Doyle, assistant professor of English and director of dramatics at Juniata College, made a two-week personal appearance tour of five Kansas colleges this fall. She presented a program of dramatic readings and talks as a representative of the arts program of the Association of American Colleges.

## The Gondoliers

STUDENTS presented Gilbert and Sullivan's operetta, "The Gondoliers," as the entertainment feature for the annual Parents Day weekend on the campus November 13-14.

The all-college show was staged as a benefit for the foreign students aid fund — a fund organized and supported by Juniata students to aid fellow students from other lands in their study here.

A cast and crew of nearly 100 worked on the operetta under the direction of Prof. Donald S. Johnson, chairman of the department of music. Miss Esther M. Doyle was dramatic coach and Prof. Jack D. Brammer directed the orchestra. Student Senate named a student coordinator, Dagmar Silldorff '54, Lebanon, Pa., to aid in the production. Her assistant was Doris I. Wilson '55, Haddon Heights, N. J.

## Hedgerow Appears

THE COLLEGE presented a one-night performance in Oller Hall on October 7 by the Hedgerow Theater Company, popular dramatic group from Moylan, Pa.

Bernard Shaw's ironic romance "Arms and the Man"—one of the favorites of the company's repertory of 182 plays—was sponsored by the public events committee of the faculty as a non-profit entertainment event.

The appearance of the Hedgerow Theater, established in 1923 by Jasper Deeter, was the first by an off-campus theatrical group under college sponsorship since the Margaret Webster productions of Shakespeare plays three years ago.

## Average Gift High

Juniata College alumni contributed an average of \$50.94 to the alumni fund during the past year. There were 982 contributors.

**DR. GEORGE B. CLEMENS '36**  
Department Chairman

### *Clemens Is Chairman*

**N**EW CHAIRMAN of the department of modern languages is Dr. George B. Clemens '36. He has succeeded Miss Margaret F. McCrimmon, a distinguished teacher, who retired as professor of modern languages.

Dr. Clemens returned to Juniata in June 1949 for instructional duties in the Summer term after he received a doctor of philosophy degree from the University of Pennsylvania. He joined the regular faculty as assistant professor of modern languages that September and was promoted to the rank of professor in June 1952. Last year he served as acting head of the department while Miss McCrimmon was on leave of absence for ill health.

Born in Huntingdon and a graduate of Huntingdon High, Dr. Clemens was graduated summa cum laude from Juniata in 1936. He received a M.A. degree from the Pennsylvania State College in 1941 and a Ph.D. from Penn in 1949. In addition, he has done graduate study at the Spanish School, Middlebury College.

Dr. Clemens was an instructor in romance languages at the College from 1937 to 1940 and for various terms and Summer Sessions since that time. He held the Harrison

### *Miss McCrimmon—Retired But Not Inactive*

**W**HEN Miss Margaret F. McCrimmon was graduated from the University of Toronto with first class honors, she wanted to teach. Canadian universities offered little opportunity for women instructors; hence, she contacted a teaching agency which operated in the United States.

That agency did its job well because Miss McCrimmon joined the Juniata faculty in 1925 and remained on the staff until her retirement last June. She has been chairman of the department of modern languages.

A scholar of five languages, Miss McCrimmon developed a language curriculum of merit at the College. She is recognized as a distinguished teacher with genuine interest in history, art, literature and science—and she became well known in the Huntingdon area for her fostering of the cultural heritage of Juniata.

Miss McCrimmon is also a European traveler and twice was granted a leave of absence for her study and travel abroad. In 1952, she requested and received a leave because of ill health. Part of that time she spent in recovery in Europe to re-new friendships and to enjoy "the beauty and charm."

During her year's leave, Miss McCrimmon spent five months in England, mainly in London and the Cathedral towns; three weeks in France; and five months in Spain, including visits to Madrid, Toledo, Seville and Granada. She wrote that "our trip was a wholly delightful one."

fellowship for romance languages at the University of Pennsylvania for 1946-47 and was an instructor at Penn from 1947 to 1949.

A veteran of World War II, Dr. Clemens served with Army Signal Corps Intelligence for nearly three years, including 25 months in England, North Africa and Italy. He aided the Signal Corps in finding a solution to the German code.

Dr. Clemens is married to the former Dorothy J. Metcalfe '36 and they live at the Geiger House on the campus. He is an active member of St. James Lutheran Church and the Kiwanis Club of Huntingdon.

**MISS MARGARET McCRIMMON**  
Distinguished Teacher

Born in Toronto, Miss McCrimmon attended school in Whitley, Ontario, and Glen Mawr, Toronto; plus two and one-half years in boarding schools in Germany and Belgium. An honor graduate of the University of Toronto, she went on to receive a master of arts degree in French and Italian from the university.

In addition to her Canadian training, Miss McCrimmon studied at the Sorbonne in Paris and at the University of Montpellier. She also attended a summer session organized by the University of Brussels. Her travel and study abroad has taken Miss McCrimmon to France, Belgium, Holland, Germany, Italy, England, Scotland, Czechoslovakia, Austria and Hungary—and last year to Spain.

First and foremost a teacher, Miss McCrimmon did allow time for community activities while in Huntingdon. She was a leader in the organization of the Huntingdon branch of the American Association of University Women and served as president for two terms—1944-1946.

## Congratulations!

THE EDITORS of the Juniata College Bulletin (Alumni News), fully aware that an undefeated and united football season does not come every year, commend the entire squad for its team effort and the coaching staff of Bill Smaltz and Bill Scott '36 in achieving a perfect record in 1953.

**R**OBERT D. FISHER, a Huntingdon businessman for 10 years, is serving as manager of the 'Totem Inn' new Student Center at the College.

Fisher is responsible for the operation of the college book store, snack shop, and post office which is housed in the Center.

**Bob Fisher**

He had been employed by Lugg and Edmonds department store since 1933. He worked for 10 years in advertising display in the Tyrone store and then was manager of the Huntingdon store from 1943 until 1953. When the Huntingdon branch was closed in July, Fisher was assigned as assistant manager of the company's main store in Tyrone.

A native of Tyrone, Fisher is the son of Mrs. William H. Fisher, Tyrone, and the late Mr. Fisher. He is married to the former Anna Hall of Huntingdon and they have three children, Linda, 11, Ellen, 6, and Ruth 15 months.

Fisher has been an active member of the Kiwanis clubs in Huntingdon and Tyrone and of the First Baptist Church in Huntingdon.

## 81% From State

THE College's enrollment this fall is again dominated by Pennsylvanians with 81 percent of the 576 full-time students coming from 46 of the Keystone State counties. Eleven states, the District of Columbia, Germany and Jordan are represented in the annual geographical distribution report.

New Jersey ranks behind Pennsylvania with 11½ percent of the undergraduates—66 students. Maryland again is third.

In the Pennsylvania contingent of 465 students, the two Central Pennsylvania counties of Huntingdon and Blair continue to rank one-two among the 46 represented. Allegheny jumped into third place ahead of Montgomery county this year.

York county moved into the "top ten" replacing Westmoreland in the distribution report issued by the office of the registrar. The first 10 counties are: Huntingdon 77, Blair 49, Allegheny 39, Montgomery 26, Bedford 24, Cambria 19, Mifflin 19, Philadelphia 19, Somerset 18, York 15.

## Ellis Scholarships

MORE than \$21,000 has been contributed to the Charles C. Ellis memorial scholarship fund by friends and alumni "to surpass the original objective" set at \$20,000. The fund was established in 1951 as a memorial to the late Dr. C. C. Ellis, president emeritus who died in 1950 after serving the college from 1894. Contributions in the fund total \$21,027.53.

Two scholarships of \$250 each have been provided each year by the fund since 1951 for students "who have demonstrated unusual competence in scholarship and good citizenship."

The first Ellis scholars were N. Douglas Martin, Colver, Pa., and Lois E. Miller, Tuckahoe, N.Y., in 1951-52. Last year's recipients were Phyllis R. Link, Johnstown, and Jack L. Ulsh, Lakemont, Altoona.

Carol E. Lowdermilk '54, Uniontown, has been elected chairman of women's house on Student Senate. Miss Lowdermilk, elected to fill a vacancy on the student governing body, is majoring in elementary education.

## Four Join Faculty

FOUR new appointments to the College faculty were announced for the opening of the Fall term by Dean Morley Mays '32. All are veterans of World War II. They are:

Dr. William D. Fairchild, Jr., Chicago, a graduate of Northwestern who taught last year at Tufts College, replaced Miss Anna S. Benjamin as instructor in classical languages. Dr. Fairchild held a Ford Foundation Fellowship at Northwestern in 1951-52. He received his B.A. (1947), M.A. (1948) and Ph.D. (1951) from Northwestern.

Dr. Theodore D. Lockwood, Hanover, N.H., assistant professor of history, to replace Dr. Harry H. Nye, now professor emeritus. Dr. Lockwood, who taught the Great Issues course at Dartmouth last year, received his B.A. degree in history and philosophy at Trinity College in 1948. He continued graduate study at Princeton and was awarded a M.A. degree in 1950 and a Ph.D. degree in history in 1952.

Jack F. Padgett '50, Haddonfield, N.J., who accepted a one-year appointment as instructor in Biblical studies to replace Prof. G. Wayne Glick, on leave. Mr. Padgett received his S.T.B. degree from the School of Theology, Boston University, this year. He is former president of Student Senate and is married to N. Katharine Long '50.

Prof. James B. Wilson, Columbus, O., assistant professor of art. Prof. Wilson is a Ph.D. degree candidate at Ohio State who has had 10 years of teaching experience at Canterbury College, Danville, Ind. A graduate of Indiana University, he is teaching new courses in art history and studio art in Juniata's expanded department of art.

# Ten Years of Progress

## 1943-1953

**T**OTAL assets of the College have increased approximately \$1,000,000 during the 10 years that Dr. Calvert N. Ellis '23, has served as president, according to his official report to the board of trustees released Homecoming Day.

This disclosure prompted the board to officially close the million-dollar Postwar Fund campaign which was launched in 1945.

Actual figures released in the president's 10-year summary showed that total assets increased from \$1,867,576 to \$2,809,741. In addition, the annual financial statements for the 10-year period show a total equipment depreciation of \$100,000.

"This is a significant achievement which represents the sacrifice of Juniata's alumni and friends," President Ellis wrote. The Ellis report also includes other highlights of Juniata's progress from 1943 to 1953:

1 — Endowment increased from \$637,261 to \$954,203.

2 — Per capita alumni giving up from \$19.16 to \$50.94.

3 — Facilities added or improved: Memorial Physical Education building, Swigart Music Hall, Faculty Club, new dining hall and kitchen, Totem Inn (a student center), Sherwood Lodge and the Village apartments (temporary), Home Economics building, I. Harvey Brumbaugh House and N. J. Brumbaugh House.

In spite of the impressive achievement record of the past 10 years, President Ellis issued a note of warning in his summary. He stated:

"The plight of the private college continues to be precarious. However, we would not have it otherwise. As the private college struggles for the support of those who believe in higher education, where the student pays for part of his education while others contribute to his assistance, freedom is perpetuated and individual effort rewarded."

The Juniata president explained that his report of the past decade "is

PRESIDENT ELLIS '23  
Reports on Progress

a report of the devotion, toil, and fellowship of many people."

"A college president who survives ten years has many persons to thank—the trustees for their courage and tolerance, the faculty for their imaginative perseverance, and the students for their desire to learn, which contributes to their becoming important alumni!

"The past ten years have been a significant span in the 77-year history of Juniata College," the administrator declared. He referred to many changes, but said "Juniata today remains steadfast to its heritage: the enduring conviction that high academic attainment should go hand in hand with Christian living throughout the college community."

## Heads Association

**D**R. CALVERT N. ELLIS '23 who observed the tenth anniversary of his inauguration as president of Juniata College on Oct. 23, has been elected president of the Pennsylvania Association of Colleges and Universities.

President Ellis succeeds President Francis X. N. McGuire of Villanova College as head of the association. He served during the past year as vice-president and was formerly treasurer.

In addition to his position in the Pennsylvania Association of Colleges and Universities, President Ellis is serving as a member of the important accrediting committee, known as the Commission on Institutions of Higher Education of the Middle States Association of Colleges and Secondary Schools, and is chairman of the 12-member Commission on the Arts of the Association of American Colleges.

## \$25,000 Bequest

**T**HE COLLEGE has been named beneficiary of a \$25,000 bequest for a scholarship under the will of Miss Anna Fisher, widely known in the Huntingdon area for her philanthropic deeds.

The income from the fund will be used for the assistance of students of the college for education. Preference will be given, first, to members of the Presbyterian Church of the U.S.A., especially to such students who live in Huntingdon or its vicinity; second, to students who expect to engage in religious work.

A provision was made for the college to use the income, if sufficient is available, for the general assistance of needy students at the discretion of the president of the college. Miss Fisher died April 2, 1953.

## Alumni Fund Helps

Nearly one-half of the total giving of \$103,439.50 to Juniata College was contributed through its alumni fund this year. The fund netted \$50,024.17.

## The Juniata Sports Parade

THE DREAM of Juniata's football pioneers, who organized a "fund to buy a football" in 1920 and took to the gridiron for the first time on College Hill, became a reality in 1953.

Undefeated and untied!

Indeed, this is THE year for the Juniata College Indians. For, after 31 seasons of determined effort, Juniata now can boast a football team that won seven straight games in a perfect-record season.

Much of the credit goes to Coach Bill Smaltz and his only assistant, Bill Scott '36, the "unsung hero" of the all-winning year. But both Smaltz and Scott have credited the "team effort" and the "enthusiastic support of the students" for major roles in producing this great season.

What made this team successful? Smaltz answers with one word: "Courage!" After the Ursinus victory, Big Bill said, "they're the greatest gang of kids any coach ever had." And in the pandemonium at the victory rally Monday night after the season, the coach explained that he was "mighty proud" to be coaching a team that demonstrated so much courage.

The Indians mixed a diversified scoring attack with a stubborn defense to defeat a heavier opponent on seven straight Saturdays. Smaltz declared that the season proved "it takes more than beef and muscle" to play football—and to win in the small college circuit.

Season-end statistics reveal that not only did the Indians set a new Juniata scoring mark for the year with 196 points, but they limited their opponents to a new low mark of 39 and permitted only a net rush-

ing and passing gain of 156.1 yards per game. The previous season scoring record was 150 and the low for opponents was 51, both established in 1938.

Juniata's 176-pound line — flip-pantly termed a "flyweight forward wall"—gave up an average of only 87.1 yards rushing in seven encounters and held its last three opponents scoreless. The opposition's passing yardage averaged 69 per game.

Key man in this tremendous defensive exhibition was Ron Clapper, a 5-10, 168-pound senior from Altoona, who played more minutes in every game than any teammate as center and line-backer. As formation-caller for Coach Bill Smaltz, Clapper used such an assortment of defenses that only Moravian in the opening game showed a net gain of more than 200 yards rushing and passing. The Greyhounds made 233 yards, but this was offset by Susquehanna's net gain of only 64 yards.

Meanwhile, 12 players figured in scoring Juniata's 196 points. Seven of the 28 touchdowns came on passes.

A bantam-like sophomore tail-back, Don Pheasant of Mill Creek, Pa., carried off the offensive honors as the team's leading scorer and ground gainer. The former Huntingdon High scatback scored seven touchdowns for 42 points . . . set the pace in rushing with 353 yards . . . and topped the team in total offense with 662 yards in 120 plays.

Pheasant's alternate, Pat Tarquinio of Stowe Twp., was a close runner-up and even surpassed Pheasant in passing with 18 completions for 325 yards, including five touchdown tosses. Tarquinio scored five touchdowns for 30 points and had a total gain of 506 yards in 115 plays.

Joe Trimber, fancy-stepping Moon Twp. wingback, was the Tribe's pass-receiving leader with 10 catches for 207 yards including a 60-yard touchdown pass from Pheasant in the Dickinson game. Trimber, an explosive runner, also scored on a 95-yard kickoff return against Dickinson . . . a 70-yard reverse through Haverford . . . and a 43-yard reverse that startled Susquehanna.

The team's "unsung hero," Bill Yerzyk of Ambridge — blocking quarterback in the single wing—was

THE SENIOR FOURSOME . . . Harry Martin, Tom McNeal, Ron Clapper, Chuck Knox

the leading punter with an average of 34.6 yards on 30 punts with none blocked.

Here's the game-by-game story:

### JUNIATA 20, MORAVIAN 6

The Tribe registered its first season-opening victory since 1949 sparked by Pat Tarquinio, sophomore transfer student from McKees Rocks. Playing only the second and fourth quarters under the one-platoon system, Tark made good at Bethlehem, Pa., by flipping jump passes for touchdowns to Vince Piazza and Barry Drexler in the sec-

ond period; then scoring from the 1 in the final period after intercepting a Moravian pass and racing to the opponents' 37.

Juniata capitalized on some "breaks" to score, but put Moravian in a deep hole in the opening moments when Quarterback Bill Yerzyk boomed a 63-yard punt. Keith Birmingham recovered two Greyhound fumbles, both on the 25, to set up the first and second touchdowns.

### JUNIATA 27, HAVERFORD 13

The 14-point difference did not truly represent the close contest. The Fords, in better all-around condition than the former models, tied the game in the second

period 7-7, fought back in the fourth to make it 14-13, and allowed some over-anxious ball handling to seal their doom.

It was the brilliant performance of Joe Trimmer which not only captured the admiration of the crowd but certainly provided the margin of victory. Trimmer raced 70 yards on a sweeping reverse for Juniata's first touchdown . . . he hauled down Don Cohill from behind after his 78-yard pass interception . . . and he intercepted a pass and rammed 33 yards to Haverford's 1 to set up the second Tribe tally. The two fumbles by Haverford set up the other touchdowns.

## Fame In Football

WHEN Juniata's football team completed its season by crushing Ursinus 21-0, the victory made history at the college in the following ways:

- 1—Provided Juniata with its first unbeaten, untied football team in the 77-year history of the college and 31 seasons of football.
- 2—Gave Coach Bill Smaltz his first perfect season in seven years of coaching, all at Juniata.
- 3—Established a new winning streak of seven straight.
- 4—Shattered the previous season scoring mark with a total of 196 points compared to 150 scored in 1938.
- 5—Marked a new low for opponents' scoring with 39 compared to the previous low of 51, also in 1938.

### JUNIATA 43, DICKINSON 13

That explosion you heard in Carlisle on Oct. 17 was the fired-up Indians who flattened Dickinson with a four-touchdown attack in the second period and marched off with six touchdowns—three on passes, two on running plays by Tarquinio, and one on an electrifying 95-yard kickoff runback by Trimmer.

The game was less than three minutes old when Don Pheasant fired a pass to Trimmer who raced 60 yards for a touchdown. A 43-yard pass from Tarquinio to Brimingham provided T.D. No. 2. Tarquinio scored next from the 9 and then he astounded the Dickinson team with a 10-yard toss to Bud Douds after Joe Veto's fake field goal attempt. But the half wasn't over, because Trimmer faked beautifully to dash 95 yards for T.D. No. 5 and a 35-7 halftime lead.

Vince Piazza returned a punt 38 yards to set up Juniata's final touchdown with Tarquinio going over from the 1. Dickinson scored again after a long pass, but finally fumbled in the end zone to give Juniata a safety and a decisive 43-13 margin.

### JUNIATA 24, PENN MILITARY 7

Opening on College Field after three successive away games, the Indians rolled over a tough Penn Military College eleven with a demonstration of their abilities in all phases of the game—from basic fundamentals of blocking and tackling to the alert maneuvering in tight situations.

It was an end, Barry Drexler, who clinched this victory. Barry raced 31 yards with a pass interception and then caught a 24-yard pass from Tarquinio for both Juniata's second quarter touchdowns. Joe Veto, the Tribe's "twelfth" man booted a field goal from the 22 to give Juniata a 17-7 halftime advantage.

Don Pheasant engineered the final touchdown drive with near-perfection football.

In eight well-selected plays, the Tribe covered 72 yards with Pheasant cutting sharply inside right end to race over untouched from the 13.

### JUNIATA 39, SUSQUEHANNA 0

Curiously enough, after a quick score on Trimmer's 43-yard touchdown on a reverse, the Indians tried too hard and gave a shaky first-half performance against old rival, Susquehanna, on Homecoming Day. But the defensive men held the Crusaders without a score and limited them to a net gain of 12 yards rushing . . . 52 yards passing . . . and only three first downs, most of this in the closing minutes.

Meanwhile, the point-makers "warmed up" with Tarquinio scoring from the 1 before intermission. Then, they came on strong in the second half with Pheasant scoring twice and the reserves adding two more in the fourth quarter against the weakest Susquehanna team that has come out of Selinsgrove since the war.

For the third successive week, Bill Smaltz emptied his bench and every one of the 41-man squad saw some action.

### JUNIATA 22, GROVE CITY 0

This was the now-famous "snow bowl" game. Not even the first blast of winter that produced 10 inches of snow on College Field could hold back the Warriors' attack or smother its vigorous defenders. In spite of conditions, the unbeaten Indians roared under, over and through a rugged Grove City pack.

Perhaps this game never would have been played if Grove City Coach Jim Lovelless had not been willing. A good share of the students turned out in the "shovel brigade" to assist in clearing the snow . . . then, after completing that amazing job, returned to the cold bleachers to cheer their team on to its sixth straight victory in the 50th game for Juniata's teams under Coach Smaltz.

Tailback Don Pheasant—5-8, 152 pounds of football energy—ably assisted by a pair of 5-9, lightweight fullbacks (John Winterstein and Vince Piazza) clearly demonstrated that sheer weight will not smother a rushing attack. Pheasant put the Indians in position on the 12 on the first scrimmage play—an age-old "hideout" pass to Barry Drexler for 46 yards. Winterstein scored the first touchdown, but Pheasant tallied the second and third all from the 1.

### JUNIATA 21, URSINUS 0

This small college "game of the day" attracted perhaps the largest crowd ever to jam College Field. What an exciting climax!

Fortified by a 196-pound aggressive line and a well-balanced backfield, Ursinus lived up to its advance billing as Juniata's toughest opponent and provided a real battle. But the Indians crushed all Ursinus hopes with three pulverizing ground assaults of 79, 80 and 71 yards for three touchdowns.

There was uncertainty among Juniata's in the first quarter as Ursinus struck hard through the middle. But Juniata overcame this threat and sent Don Pheasant slashing outside the tackles . . . John Winterstein and Vince Piazza spinning through the inside . . . and Joe Trimmer all over the field . . . in a devastating running attack. Piazza scored right through the middle from the 10; Winterstein crashed over from the 6 on the same-type play; and Pheasant swept left end on a deceptive buck lateral for a 19-yard touchdown.

In typical fashion, the Indians were threatening to score again as the season ended.

## Praise From Pinky

TAKE it from Dwight "Pinky"

Snyder ex '24, fullback on Juniata's first football team in 1920, this year's Juniata team is "wonderful."

Pinky Snyder witnessed the victory over Pennsylvania Military College which impressed him with "the obvious training Coach Smaltz has given every player in down-to-earth football fundamentals."

Referring to the Tribe team in the P.M.C. game, he said: "they knew how to tackle . . . they knew how to fall . . . and best of all (from the standpoint of an old fullback) they knew how to keep their feet under them . . . their knees churning . . . and KEEP ON GOING."

# The Quest for New Horizons

By DEAN JAMES F. PENNEY

"**B**UTTON, Frosh," is the most common sound heard on College Hill these crisp, autumn days. As the class of '57 begins its trek in quest of the "new horizons" set forth during Freshman Days, the journey is being smoothed by several innovations which are serving to make this year's beginning a notable one.

The upperclassmen took the lead by resolving, at Leadership Conference, to undertake the establishment and operation of a supervised study program for all freshmen. Incentive stemmed from the study hall instituted a year ago by Coach Bill Smaltz for freshman footballers, which proved to be a popular and valuable innovation.

## Upperclassmen Guide

This year's plan calls for all frosh to report to assigned rooms in Students Hall for two hours of study three nights weekly. Discipline and guidance are provided by selected upperclassmen, working in shifts. Habitual absentees are referred to Freshman Court, but to date have been conspicuous by their absence.

The Senate, which is coordinating the program through Ben Newcomer '54, Uniontown, chairman of underclassmen, has stipulated that frosh who achieve a first term average of 1.20 will be "promoted" to required study periods in individual rooms during the spring term. Those failing to make the magic 1.20 will be expected to continue to report to study hall throughout the year.

## 11 To 1 In Favor

The unique feature, of course, is the student initiative and direction, which has put the program across by appealing to the frosh from the standpoint of "we're doing it because

we've learned what will help you." Faculty participation has been limited to encouragement of the project. An informal poll conducted by the student deans among the frosh shows sentiment to be running about 11 to 1 in favor of the study hall idea.

## Constructive Work

The second phase of the "new look" on the Hill concerns freshman initiation. The idea of constructive initiation has hit many campuses, including Juniata's, over the years, but few have done anything about it. This year's Underclassmen Committee has taken the bull by the horns. One big project has been put into operation, and we hope to see the effect of others.

The claypit at the southeast corner of the campus is being converted to a skating rink, and freshman labor has been significant in the work completed to date. Another job in which the frosh have shared is the reconditioning of the bleachers on the athletic field. This involved scraping metal parts, sanding and painting the wooden planks, and setting the stands in place for the home football season.

## Reading Clinic

Innovation number three is the installation of a reading clinic as a permanent part of Juniata's student services. Set up last year on an experimental basis, the clinic this fall has enrolled 29 freshmen and 2 sophomores. Participation is on a voluntary basis, with frosh whose English Placement Test scores were low, receiving special invitations to join.

First step in the clinic procedure is the administration of a diagnostic

reading test, designed to show which aspects of reading need work. Participants are then organized in groups of four or five, which will work together on similar needs. These groups meet for an hour each week, and an additional hour is spent in a meeting of clinic personnel, at which more general information on reading and study techniques are presented. Here, too, weekly exercises are given to check individual progress.

The Reading Clinic course of study is built around a series of 24 planned lessons, designed to give the student an opportunity to explore and work on virtually every phase of reading. Examples of topics considered by enrollees in the clinic are drill on skimming, taking notes, summarizing, and increasing vocabulary. Consideration is also given to improving concentration, stepping up speed of reading, increasing retention of what is read, and enlarging the area of type seen with each eye movement.

## Reading By Machine

In addition to class-type exercises, the Clinic also makes available a reading rate accelerator. This is a machine which causes a shutter to move at set speeds over a page of type. By setting the shutter so as to move at a rate slightly faster than the student's normal reading speed, he is encouraged to read more rapidly. As speed increases, comprehension must be continuously tested, so that it is not sacrificed to speed. Those working with the accelerator are encouraged to spend some time at it nearly every day, so that habits built up can be maintained.

The class of 1957 shows great promise. The overall high school record is one of the best ever brought to campus by a freshman class. Results of the tests given to the group during Freshman Days confirmed the expectation of high potential. The student body and the college administration and faculty have joined hands, as indicated above, to help the class to realize its possibilities.

# Alumni Achievement

## 'On The Air'

JOIN the Air Force — and be “on the air.” That, at least, might account for the numerous radio and television appearances of Clair “Whitey” Schaffner '51, since the beginning of his Air Force career.

Schaffner '51

in Rochester.

Schaffner also serves as director of the Geneva Choral Club, a position which he attained in August.

In addition to his music activities, Schaffner is Director of Religious Education on the base. There are approximately 160 children of base personnel who attend Sunday School classes as well as classes in Religious Instruction (during the school year) on the Released Time education plan. A Youth Worship Hour is conducted each Sunday, and Schaffner also has charge of the Young People's Choir.

## Doctor Honored

His initials are C.A.R.—and that's just one of the many gifts (a 1953 sedan) bestowed on Dr. C. A. R. McClain, ex '98, by the townspeople of Mount Union as a token of respect for the 50 years of service performed by the medical man. It was also a birthday gift, given only one day before the physician was to celebrate his 78th birthday anniversary.

Held at the First Methodist Church of Mount Union on Sunday, Sept. 20, the program was planned by various community organizations and brought high honor to the medical doctor who served Mount Union and vicinity for 50 years.

DR. PAUL M. ROBINSON '35  
President of Seminary

## Heads Seminary

DR. PAUL M. ROBINSON '35, was inaugurated as the fourth president of Bethany Biblical Seminary Monday, Nov. 9, in a ceremony at the First Church of the Brethren, Chicago.

Before he took over this new position, Dr. Robinson served as pastor of the First Church of the Brethren, Hagerstown, Md., the largest congregation in this denomination. His ministry there began in 1940.

A past president of the National Pastors' Association of the Church of the Brethren, he also serves on the General Brotherhood Board, the national administrative body of the church.

Dr. Robinson was graduated from Princeton Theological Seminary in 1938 with the degree Bachelor of Theology. In 1940, he was awarded the degree, Master of Sacred Theology, by the Lutheran Theological Seminary. He was awarded the degree Doctor of Divinity by Juniata College in 1949.

## Earns Fellowship

AWARD of a DuPont Fellowship in chemistry at Rutgers University to Walter M. Bush '51, was re-

cently announced by Dr. Peter A. van der Meulen, director of the State University's School of Chemistry at New Brunswick, N. J.

Bush is a teaching assistant in chemistry at Rutgers and is the eighth recipient of a DuPont Fellowship at the university. The award is made annually to the graduate chemistry student within a year of completing his doctoral work who is rated highest in scholastic and research work by the graduate chemistry faculty. The fellowship is worth \$2,100 for the 1953-54 academic year.

Under the DuPont Fellowship, Bush will continue his research in the synthetic preparation of jervine, a hypotensive alkaloid.

## U.S. Chairman

DR. JOHN C. BAKER '17, president of Ohio University, was named by President Eisenhower as U. S. representative heading the American delegation to the Economic and Social Council of the United Nations in Geneva, Switzerland, last summer.

The services of President Baker were requested by the State Department.

## Now P.R. Man

APPOINTMENT of D. Raymond Sollenberger '25, as public relations man for the Pennsylvania State Educators Association was recently announced.

Sollenberger '25

Sollenberger, former principal in the Williamsburg schools, was a member of the State Legislature from 1936 to 1952. He served as a member of numerous committees and has held the important post of chairman of the committee on education. He is a past president of the Juniata College national alumni association, and was acting Dean of Students for one year during the illness of former Dean J. Melvin Rhodes.

## End Of A Phase

AT SUMMER Commencement in August, President Ellis made it clear to the six graduates that "this only marks the completion of a phase of your formal education . . . and that our education continues throughout our lives."

One bachelor of arts degree and five bachelor of science degrees were conferred at a dinner ceremony in Oneida Hall. Recipients were:

Bachelor of Arts — D. Helene Johnson, Palmyra, N.J. Bachelor of Science—William D. Long, Six Mile Run; Robert J. Muchoney, Greensburg; Carmon E. Sollenberger, Curryville; Nancy L. Stephens, Johnstown; and Donna L. Vashbinder, Ebensburg.

The wedding of Thelma L. Mowry and Philip E. Norris took place on Sunday, Aug. 30, 1953, in the Evangelical United Brethren Church, Greenville, Ohio.

Robert Bailey is teaching seventh and eighth grade mathematics and English at the Marysville School, near Harrisburg, Pa.

# Juniata's 50th Year Of Basketball

AFTER revamping the college's basketball record books in scoring last season with a freshman-dominated team, the Tribe's cage quintet will be going "all-out" to produce Juniata's first winning team on the court in eight years in this 50th year of basketball.

Coach T. Arnold Greene has had his squad drilling since early November in preparation for the stiff 21 game schedule starting Dec. 5 against Franklin and Marshall College at Lancaster. Three home games are scheduled before Christmas with Geneva on Dec. 7, Moravian on Dec. 12 and Bucknell on Dec. 16.

Returning from last year's team, which enjoyed Juniata's best season in seven years, are six lettermen headed by Jake Handzelek, the

Shickshinny scoring sensation. Handzelek surpassed two former scoring marks at Juniata by tallying a new all-time high of 473 points and establishing a 23.7 average per game which ranked him 20th in the nation.

Five other lettermen who helped to spark the team to a new average per game mark of 71.7, and the entire junior varsity five which won 12 out of 17, have returned with Jake. Key men will be Walt Vanderbush, 6-6 center from West Orange, N.J.; Howie Kerstetter, live-wire from Shamokin; Torry Froisland, West Orange, N.J. and Chuck Gross, Oil City, good defensive forwards—all sophomores—and George O'Brien, a junior veteran from Hollidaysburg.

The jayvee candidates who will be

pressing the varsity include Bernie Oriss, North Braddock; Lee Hallman, Pottstown; Jack Golden, Bordentown, N.J.; Herb Law, Lilly; and Jim Boulton, Burlington, N.J.—all of whom saw some limited varsity action last season.

Missing from the lineup will be last year's captain Dave Pollock, Berwick, who is now in the service. Pollock last year became the first man in Juniata's 49 seasons to score more than 300 points in two successive seasons. Only other letterman gone is Herb Halkovich, Windber, a senior last year.

The Indians won 9, lost 11 last year, including close losses to Bucknell, Lycoming and power-packed Lebanon Valley in the season's climatic final.
